Parents, as we enter the testing season these are some things to keep in mind:

-- During PSAT, FSA, EOC, and Midterm/Final Exams students are not permitted to leave campus while the test is in progress. Once the testing period has begun students must stay in their class until the end of the period. Please plan appointments accordingly. Thank you for your cooperation.

-- Students may not have cell phones, smart watches or any other electronic devices near them during testing. These items will be collected and kept in a safe place until testing is complete.

-- All students need to have a photo ID with them at all times so the Testing Administrators can verify their identity. (Student IDs can be purchased in the media center. They are \$5 for the first ID, which is good all four years you are at West Boca, and \$2.50 for replacements. Any new or returning students that need IDs can stop by at any time.)

-- Please bring headphones/earbuds for testing.

-- Please make sure students are well fed and rested on testing days.

-- State of the art software programs examine all testing results and can statistically pinpoint students who may have shared answers. If this occurs, student tests may be invalidated.

-- Encourage your child to relax, do his or her best, and rely on the testing tips and preparation which has been ongoing within our classrooms.
