The George Snow Scholarship Fund offers need-based scholarships to high school seniors!

The Fund looks for applicants that have:

- a financial need
- are active in their school and community
- have strong educational and career goals
- are self-motivated.

Students applying for these scholarships can attend any accredited college, university, vocational/technical school anywhere in the country and major in any subject. In addition to our unrestricted scholarships, we also offer many specific scholarships that you can apply for on our “Area of Study and Areas of Interest Question” page in our application. Your answers will help us determine which of these specific scholarships you may be eligible to receive.
